June 2012

Issue 3

I have published this 'Special Edition' after discussions with members of the BNCs Council, it is firstly to commemorate the successful launch of the new garden pink Dianthus 'Memories' at the RHS Chelsea Flower Show and secondly to congratulate 2 of our members for success with their trade stand exhibits at major RHS flower shows,

Please enjoy and feel free to offer any feedback.

Dianthus 'Memories'

Dianthus 'Memories' is the latest addition to Whetmans Pinks Scent First Collection. Dianthus 'Memories' has a wonderful old fashioned fragrance and was launched at the RHS 2012 Chelsea Flower Show. Whetmans Pinks have agreed to donate all royalties from sales of plants of 'Memories' to the Alzheimer's Charity which is the BNCs chosen charity.

DARGEM Carnations at Malvern Spring Show

DARGEM Carnations gained a Silver Gilt Medal for their first competitive trade stand at the RHS Malvern Spring Flower Show. The display consisted of 14 bowls of PF's.

Whetmans Pinks at Chelsea Flower Show

Whetmans Pinks gained a Gold Medal for their trade stand at the RHS Chelsea Flower Show. Their stand was also the setting for the official hand over of Dianthus 'Memories' from Whetmans Pinks to the BNCS and then to the Alzheimer's Charity.
